Today was a special table topics session, as we gave JD Austin, our outgoing President, some praise for his club dedication and enthusiasm. He has charted a strong course for Rio Copa Toastmasters and has positively influenced all of us in some way. Thanks again, JD, for everything. Mike Trier did a tremendous job of asking some great questions that guided all of us in some terrific and memorable responses. He also brought a couple of our guests into the conversation with the theme of New Beginnings and a discussion of their new club.
